A message from the Head

Everyone at ACE sends you and your family our good wishes. This has been a very strange time and our thoughts are with all the families in Luton, who have suffered loss, illness and distress due to this viral pandemic.

However, in tough times the pupils & staff of ACE know what to do! Be positive, make plans and take small forward steps that will become strides towards our goals.

THE ACE ACHIEVER newsletter is about you! It is about making it easier and more rewarding and making it more rewarding for you to get to work on all the important learning opportunities that your teachers at ACE have prepared or you.

We need a balance! Although staying at home may seem fun and easy, a positive balance would include some ACE work, some exercise, some healthy relaxation, some household chores to help out & some "socially distanced" socialising!

Each week for the next month you will be sent a copy of THE ACE ACHIEVER and this will guide you into some brilliant learning opportunities.

Your teachers & coaches will check in with you each week to encourage, help and reward you! Yes rewards! There will be up to a £10 voucher for all ACE pupils as a reward for having a go, following the guidance on ACE Learning at Home.

Mums, Dads, brothers, sisters, Grandparents, Carers will also get THE ACE ACHIEVER to help them support and encourage you.

Call ACE or speak to your coach or message your teachers if you need help or advice.

Good Luck, Stay Safe and Be the Best You Can Be !

SUBJECT FOCUS—PSHE & Well-Being with

Chantele

Hi guys,

The last thing some of you are thinking about is getting out your homework and 'working from home' **BUT** I do encourage you to do so.

I will be sharing some useful tips for you over the next weeks whilst staying at home:

1. Maintain a healthy lifestyle including proper diet, sleep and exercise - try not to be stressed out
2. It's normal to feel sad, stressed, confused, scared or angry during a crisis. Talk to people you trust such as friends and family- call or video call them. Contact us at ACE, we are still here for you
3. Have a daily routine - Get out of bed, have a shower, brush your hair and teeth. Don't stay in bed all day!

Every week, I upload PSHE Challenges covering various topics on Google Classroom.

Lots of love from Chantele—more tips next week!

“I have enjoyed DT because I got to learn new skills like using a jigsaw and planning the chair I built.”

Armand. Year 11

A message from the Maths and English Departments

We hope you and your families are safe and well. Since the lockdown started, we have had really mixed feelings of emotions. At first, it was great; being at home, sleeping late, waking up late, going to the fridge to see what we can munch on but recently we keep hearing that we all need to live with the new 'normal'. We have missed seeing you all and chatting about things that are important to you.

As teachers, we would love to support your learning. **Knowledge is the key** to opening so many doors. You may not believe it, but we were young once! We know you need the motivation to do the work we are setting and not just a "well done" from Naz, Mark, Alan and JJ. **All of us want to recognise your efforts and reward you for having a go at the tasks we set.**

So here it is, BKSB rewards. **If you complete the assessments, you will be rewarded.** BKSB is the best for online learning in English and maths and is designed to meet your needs.

If you complete the set work from your workbooks, send us a pic to our emails; you will be rewarded. For every email and/ or work completed, we will add to your reward money.

We look forward to offering you lots of reward money in the coming weeks.

Stay safe everyone

Naz, Alan, Mark and JJ.
