

# Family Learning Festival 2020

17th October - 1st November

## Inspiring a love of learning in family life

Learning as a family can help us to become confident, lifelong learners with all the benefits that brings - from better health to being happier. Family learning supports children to achieve at school. It can be transformative, helping us to find new passions and interests, and realise our aspirations through further learning.

At Luton Adult Learning we are offering a whole programme of fun activities for all the family to enjoy together during this half term.

Love Learning

Day	Date	Time	Workshop/Course
Monday	26 October	10am - 12pm	Pirate Scavenger Hunt
