Link Member roles will be developed for academic year 2023/24 during the spring term 2023.

The Role of the Link Member

The role of Link Member will vary according to the nature of the appointment. However, in general a Link Member role involves the following tasks:

- Making pre-arranged visits to the Pupil Referral Unit, with a clear focus.
- Keeping the Management Committee informed about the area for which they're responsible, and acting as a link between Members and staff.
- Supporting the member of staff who is responsible for the particular area/subject.
- Developing knowledge in the specialist area and taking part in relevant training.
- Ensuring the Pupil Referral Unit has relevant policies in place.
- Monitoring the implementation of the Pupil Referral Unit's strategy in the specialist area.
