1. AIMS

All schools will aim to:

- Run an ECT induction programme that meets all of the statutory requirements underpinned by the Early Career Framework (ECF) from 1 September 2021
- Provide ECTs with a supportive environment that develops them and equips them with the tools to be effective and successful teachers
- Make sure all staff understand their role in the ECT induction programme
- Contribute to the colleague's sense of job satisfaction, wellbeing and personal achievement.

2. LEGISLATION AND STATUTORY GUIDANCE

This policy is based on:

- The Department for Education's (DfE's) statutory guidance Induction for early career teachers (England) from 1 September 2021
- The Early career framework reforms
- The Education (Induction Arrangements for School Teachers) (England) Regulations 2012
- The 'relevant standards' referred to below are the Teachers' Standards.

3. THE ECT INDUCTION PROGRAMME;

- The induction programme will be underpinned by the ECF, enabling ECTs to understand and apply the knowledge and skills set out in the ECF.
- Prior to the ECT serving their induction, the Headteacher and appropriate body will agree that the post is suitable.
- For a full-time ECT, the induction period will typically last for 2 academic years (Subject to any extension or reductions required). Part-time ECTs will serve a full-time equivalent.
- Up to one term of continuous employment may count towards completion of the induction period. The programme is quality assured by Chiltern Teaching School Hub, our appropriate body. Local authorities can no longer act as authoring bodies for the ECT framework.
- If a teacher moves schools within the two-year induction period it is expected that the headteacher of the new school contacts the previous authorizing body to ensure that the ECT induction can continue.
- Overseas teachers with less than two years' experience prior to receiving QTS will need to complete the ECT induction.

4. POSTS FOR INDUCTION EACH ECT WILL:

- Be provided with the necessary employment tasks, experience, and support to enable them to demonstrate satisfactory performance against the relevant standards throughout, and by the end of, the induction period.
- Have an appointed mentor, who will have qualified teacher status (QTS)
- Have an appointed induction coordinator, who will be a senior member of the teaching staff.
- Have a reduced timetable (in addition to PPA) to allow them to undertake activities in their induction programme; in their first year, this will be no more than 90% of the timetable of our existing teachers on the main pay range, and in their second year, this will be no more than 95% of the timetable of our existing teachers on the main pay range.
- Regularly teach the same class or classes
- posts Take part in similar planning, teaching and assessment processes to other teachers working in similar posts
- Not be given additional non-teaching responsibilities without appropriate preparation and support
- Not normally teach outside the age range and/or subjects they have been employed to teach.

5. SUPPORTS FOR ECTS:

- A designated induction tutor, who will provide monitoring and support, and co-ordinate their assessments
- A designated induction mentor, who will provide regular structured mentoring sessions and targeted feedback alongside the Early Career Framework.
- Observations of their teaching at regular intervals, and follow-up discussions with prompt and constructive feedback
- Regular professional reviews of their progress, to take place termly (except in terms where formal assessment is held), at which their induction tutor will review objectives and revise them in relation to the relevant standards and their current needs and strengths
- Chances to observe experienced teachers, either within the school or at another school with effective practice.

6. **ASSESSMENT;**

● Assessments of ECT performance Formal assessment meetings will take place in the final term of the ECT's first year (FTE term 3) and the final term of their second year (term 6), and will be carried out by the ECT's induction tutor or in his/her absence a member of the Senior Leadership Team.

● These meetings will be informed by clear and transparent evidence gathered from progress reviews during the preceding assessment period, and drawn from the ECT's work as a teacher and from their induction programme.

● After each formal assessment meeting, a formal assessment report will be completed that clearly shows how the ECT is performing against the relevant standards. The Headteacher will also recommend to the appropriate body in the final assessment report at the end of the programme as to whether the ECT's performance is satisfactory against the relevant standards.

● The ECT will add their own comments, and the formal assessment report will be signed by the Headteacher, induction tutor and the ECT. A copy of the formal assessment report will then be sent to the appropriate body. The final assessment report will be sent within 10 working days of the meeting, for the appropriate body to make the final decision on whether the ECT has passed their induction period.

● In the event that the ECT leaves this post after completing one term or more but before the next formal assessment would take place, the induction tutor or Headteacher will complete an interim assessment to ensure that the ECT's progress and performance since the last assessment is captured.

7. **AT RISK PROCEDURES;**

● If it becomes clear during a termly progress review or at the first formal assessment point that the ECT is not making sufficient progress, additional monitoring and support measures will be put in place immediately by the school, meaning:

● Areas in which improvement is needed are identified

● Appropriate objectives are set to guide the ECT towards satisfactory performance against the relevant standards

● An effective support programme is put in place to help the ECT improve their performance. The progress review record or formal assessment report will be shared with the appropriate body, alongside the support plan, to be reviewed. If there are concerns about the ECT's progress during their subsequent progress reviews or formal assessment, as long as it is not the final formal assessment, the induction tutor or Headteacher will discuss this with the ECT, updating objectives as necessary and revising the support plan for the next assessment period.

8. **ROLE OF THE ECT;**

● Provide evidence that they have QTS and are eligible to start induction

● Meet with their induction tutor at the start of the programme to discuss and agree priorities, and keep these under review
